

---

Welcome to ClipShack!

This document will introduce you to the many functions and abilities of this program.

The first thing you will see will be the home page with the menu bar.

At the top right of the page you can sign up for a **free account**, **login** to an existing account and get **help**.

The **Help** button takes you to a page of general information for Frequently Asked Questions.

There is a box for **clip search** which can be used immediately to search for clips using keywords.

There are five main categories on the menu bar:

**Home**  
**Topics**  
**My Shack**  
**Upload Clips**  
**Community**  
**Webcam**

Underneath the main categories are subcategories. These vary according to the category chosen.

## Home

The home page default setting shows you a selection of the content available. This is organized into:

**Latest Clips**  
**Featured Clips**  
**New Features, New Layout**  
**Popular Topics**  
**Latest Tags**

Logging in takes you to a Welcome Screen.

  
[edit profile](#)

### Welcome jeremyc

**My URL:** <http://www.clipshack.com/29520>  
**I've watched:** 2 clips  
**My clips:** have been watched 0 times

Your account has **5.00 GB** of storage space available.

- [My Clips](#)
- [My Favorite Clips](#)
- [My Friends](#)
- [Invite Friends](#)

The welcome screen assigns each user a custom URL. This can be used as a direct link to the user's saved content.

It shows the amount of storage space available (the accounts begin with 5 gigabytes of storage available).

It gives statistics about the clips watched by the user and the user's clips watched by others.

It gives quick links to **My Clips**, **My Favorite Clips**, **My Friends**, and **Invite Friends**.

The **edit profile** button allows the user to customize settings. Clicking this button takes you to the following screen:

### My Profile

#### Personal

**First Name:**

**Last Name:**

**Screen Name:**

**Email address:**

**My URL:** [\(Edit\)](#)  
<http://www.clipshack.com/29520>

#### Image

 Select an image file:

JPEG files only, please

#### Password

**Password:**   
At least 6 letters or numbers

**Enter again:**

#### Preferences

Send me email when someone adds a comment to any of my clips

Send me information about ClipShack

Show me mature content  
By selecting this box and clicking Update, I certify that I am at least 18 years of age.

On this screen, the user can change their personal information.

The username can be changed as well as the screen name.

The URL can be changed to one the user chooses: It will read **http://www.clipshack.com/username** when edited.

The user password may also be changed on this screen.

An image can be selected from a file on the user's computer which will appear on the user's page as an avatar.

The **preferences** contain some very important choices.

The first check box allows the user to receive an email whenever a viewer comments on one of the user's clips.

The second check box puts the user on the ClipShack mailing list.

The third check box is for users 18 or over who do not want to be blocked from mature content. The default mode is for this box to be unchecked. ClipShack does not contain x-rated material. Mature content allowed is at the discretion of the ClipShack administrators.

## Free Account page

This screen asks basic questions for the registration process. Some of the information can be changed later on the **My Profile** page.

<b>Join Us</b>	
Sign up for a ClipShack account today! You'll be able to upload your own videos and then share with them with your friends or make them public for all to see.	
Enter your first and last name. This is for our own records and we won't show this name to anyone, unless you don't mind using this name as your "screen name", which you can set below.	
<b>First Name:</b>	<input type="text"/>
<b>Last Name:</b>	<input type="text"/>
Next, select a login name and password that you will use to gain access to the ClipShack site. Nobody will see the login name besides yourself. Please use only letters and/or numbers for both the login name and the password.	
<b>Login Name:</b>	<input type="text"/>
<b>Password:</b>	<input type="text"/> (at least 6 letters or numbers)
<b>Enter again:</b>	<input type="text"/> (for verification)
Now select your "screen name", which is the name that your friends and other ClipShack users will see. You have three options:	
<b>Screen Name:</b>	<input checked="" type="radio"/> Use my first and last name <input type="radio"/> Use my login name <input type="radio"/> Use this name: <input type="text"/>
Enter your email address in both fields.	
<b>Email address:</b>	<input type="text"/>

When a clip is selected, a window appears which allows the clip to be viewed, gives viewing options, and which gives information about the clip.

**Permalink to this page:**  
`http://www.clipshack.com/Clip.aspx?key=CD7FDC78C7664962`

The clip can be paused by clicking the pause button. A status bar shows the progress of the clip. The length and current progress is also noted by the timing numbers.

The volume can be changed by dragging the slider between the speaker icons.

The configure button allows users to choose between streaming video and video which downloads the entire clip before playing it.

There are two sizes three available for viewing the clips.

Users may rate the clip by clicking on a star.

There are three lines of html code which are useful for the user.

The **Embeddable player** allows the user to put a link in the code of a webpage which will play the clip when the webpage is viewed.

The **Static image link** allows the user to put a link in the code of a webpage which will show the first frame of the clip when the webpage is viewed.

**Permalink to this page** gives the URL of the clip's page.

The categories

### Newest Clips

The clips can be viewed in two ways.

The **Thumbnail** view shows one frame of each clip.

The **Details** view shows the description, tags and statistics associated with each clip.

	<input type="checkbox"/> <a href="#">Ipswich Sub Aqua Club 50th Birthday</a> Celebration of 50 years of diving, showing Ray Marshall and other founder members and some past and present members. <b>From:</b> <a href="#">diverjoe</a> <b>Uploaded:</b> 36 minutes ago <b>Views:</b> 1 <b>Comments:</b> 0 <b>Tags:</b> <a href="#">Ipswich Sub Aqua Club Dive Party</a> <b>Topics:</b> <a href="#">Friends &amp; Family</a> , <a href="#">Sports</a>
---	--

In either view, clips can be selected to be saved to favorites or emailed.

### Most Watched Clips

This window includes the Thumbnail and Details views and adds the option of seeing the most watched clips of the past week and the most watched clips off all time.

<b>Most Watched Clips</b>
Last 7 days   <a href="#">All time</a>

### Top Rated Clips

This window has the same options as the Most Watched Clips with the addition of showing the rating of each clip with blue stars.

### **Most Discussed Clips**

This window has the same options as the previous screens.

It sorts the clips by number of comments.

### **Featured Clips**

This is a selection of clips which are chosen by the administrators of ClipShack.

The Thumbnail and Details views are included as well as the option of saving or emailing selected clips.

## Topics

On the Topics screen, users can search for clips by category.

The default categories are:

- Art & Indie Video**
- Cars & Vehicles**
- Citizen Journalism**
- Comedy**
- Entertainment**
- Friends & Family**
- Mobile Phone Video**
- Music**
- Pets & Animals**
- Science & Technology**
- Shake Your Oodle**
- Skateboard Surf Snow**
- Sports**
- Travel & Places**
- Video Games**

Some of the topics have short explanations under them.

These explanations are expanding when the user navigates to the topic page.

**Shake Your Oodle**

Cool dance contest site in partnership with Oodle, at [www.shakeyouroodle.com](http://www.shakeyouroodle.com).      Check boxes and: [Email](#) | [Add to Favorites](#)

The Topics page has the same sub-menu as the Home page, allowing the user to view clips by

- Newest Clips**
- Most Watched Clips**
- Top Rated Clips**
- Most Discussed Clips**
- Featured Clips**

---

## My Shack

This page shows the personal favorites of the user.

Clips are organized in two categories:

**My Clips**, which are clips posted by the user, and

**Favorite Clips**, which are clips saved by the user.

<a href="#">Home</a>	<a href="#">Topics</a>	<a href="#">My Shack</a>	<a href="#">Upload Clips</a>	<a href="#">Community</a>	<a href="#">Webcam</a>
<a href="#">My Clips</a>	<a href="#">My Favorite Clips</a>	<a href="#">My Subscriptions</a>	<a href="#">My Playlists</a>	<a href="#">My Friends' Clips</a>	<a href="#">My Profile</a>

## My Clips

This page shows all the clips which have been uploaded by the user. Clips can be seen in **Thumbnail** or **Details** view.

## My Favorite Clips

This page shows all the clips which have chosen as favorites by the user. Clips can be seen in **Thumbnail** or **Details** view

## My Subscriptions

<b>My Subscriptions</b>	subscribe to tag: <input type="text" value="pizza"/>	<input type="button" value="OK"/>
See new Clips that match your favorite Tag words, or keep an eye out for new Clips from your favorite ClipShack Members.		<a href="#">Search for Users</a>

The user can subscribe to various tags. New clips which have the tag word will appear on this page. The user can also search for and subscribe to another user and receive all clips which the other user posts.. They are shown in either **Thumbnail** or **Details** view. When the clips appear on the screen they are sorted by keyword and username.

<b>User Search</b>		
Find other users on the ClipShack site. Search for any user by screen name or email address.		
Screen name:	<input type="text"/>	<input type="button" value="OK"/>
Email address:	<input type="text"/>	<input type="button" value="OK"/>

## My Playlists

The **My Playlists** page allows the user to sort clips in another fashion. A name can be given to a playlist along with a brief description of the contents. This playlist can contain selected clips of those which have been uploaded by the user.

The entire playlist may then be shared or the link to it emailed to another user.

### My Playlists

Create and share custom Playlists containing your very own uploaded Clips!

	Name	Description	Clips

[Add a new playlist](#)

#### New Playlist

**Name:**

**Description:**

### My Friends' Clips

This page is where clips will appear which have been uploaded by other users who have placed the user on their friends list.

### My Profile

This page has user information. This page was discussed previously.

---

## Upload Clips

This page is the heart of ClipShack. There are four different ways in which clips can be uploaded. A wide variety of video and picture formats are supported. The types are:

Supported file types	
Video	<ul style="list-style-type: none"><li>• QuickTime (.mov, .qt, .mp4, .3gp)</li><li>• MPEG (.mpg, .mpeg, .mp2)</li><li>• Windows Media (.wmv)</li><li>• AVI (.avi)</li><li>• DV (.dv)</li></ul>
Image	<ul style="list-style-type: none"><li>• JPEG (.jpg, .jpeg, .jpe)</li></ul>

## Web Upload

This simple interface allows the user to browse for a file on his or her computer and upload it to ClipShack. A maximum of 5 files at a time may be uploaded.

Your account has <b>5.00 GB</b> of storage space available. The maximum upload size is <b>100 MB</b> per file.	
Number of file fields to show:	<input type="text" value="5"/>
1:	<input type="text"/> <input data-bbox="771 1073 924 1108" type="button" value="Browse..."/>
2:	<input type="text"/> <input data-bbox="771 1131 924 1167" type="button" value="Browse..."/>
3:	<input type="text"/> <input data-bbox="771 1190 924 1226" type="button" value="Browse..."/>
4:	<input type="text"/> <input data-bbox="771 1249 924 1285" type="button" value="Browse..."/>
5:	<input type="text"/> <input data-bbox="771 1308 924 1344" type="button" value="Browse..."/>
When you are finished selecting files, click the <b>Upload</b> button.	
<input data-bbox="305 1415 418 1451" type="button" value="Upload"/>	

## Webcam Capture

This mode allows the user to send clips directly from a webcam. If a webcam is installed on the user's computer, ClipShack will find it and get it ready for use with a few simple mouse clicks.

After clicking the record button, recording the clip, and clicking the stop recording button, a window appears which gives the user three choices of action.

**Replay this video** allows the user to see the clip.

**Approve this video** immediately sends the clip to ClipShack.

**Retry** allows the user to start over or to exit the page without saving the clip.

If **Approve this video** is chosen, the screen displays a message notifying the user that the approval process has begun. This takes place very quickly and is followed by a page which allows the user to name the clip, assign tags and give a description.

The who can see box opens up and gives the user the choice of making the clip public, available only to friends, or keeping it private (Just Me).

The choices of categories for a clip only shows when the **Public** option is chosen.

**Who can see:**

- Everyone on the ClipShack site (Public) ▾
- Everyone on the ClipShack site (Public)
- Only people on my Friends list (Friends)
- Just Me (My Clips)

**Approval in Process**  
**Please wait.**

### Web Cam Result

You have created a new clip with your web cam. Now describe the clip and decide who gets to see it.

capture(6)

**Title:**

**Tags:**   
Enter at least three words that can be used to search for this clip

**Description:**

**Who can see:**  ▾

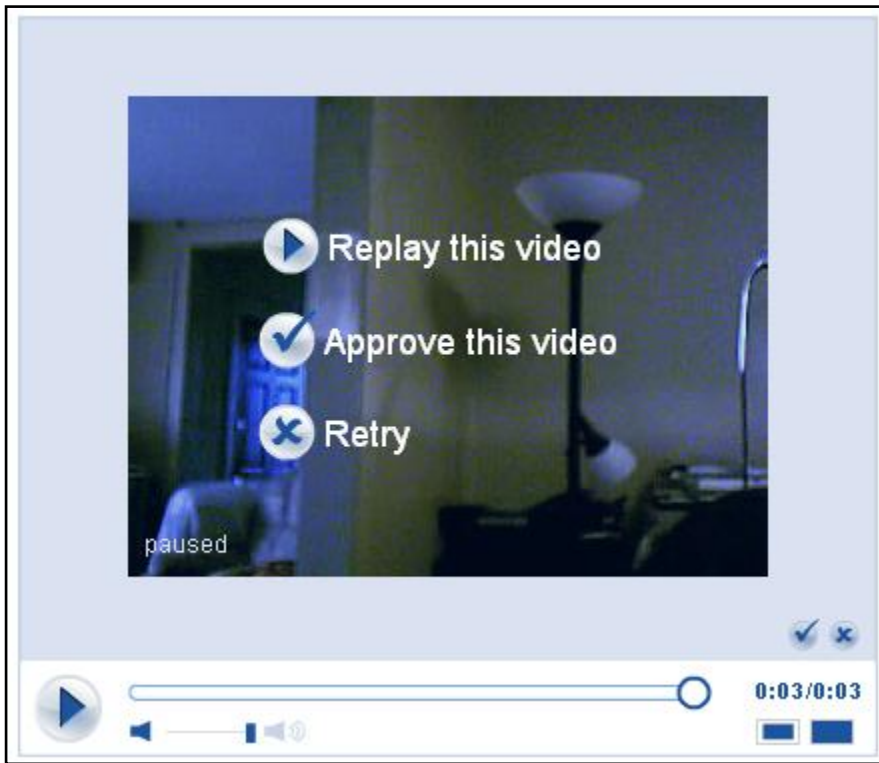

**Topics:**

<input type="checkbox"/> Friends & Family	<input checked="" type="checkbox"/> Travel & Places
<input type="checkbox"/> Pets & Animals	<input type="checkbox"/> Sports
<input type="checkbox"/> Skateboard Surf Snow	<input type="checkbox"/> Cars & Vehicles
<input type="checkbox"/> Mobile Phone Video	<input type="checkbox"/> Music
<input type="checkbox"/> Comedy	<input type="checkbox"/> Entertainment
<input type="checkbox"/> Art & Indie Video	<input type="checkbox"/> Shake Your Oodle
<input type="checkbox"/> Science & Technology	<input type="checkbox"/> Video Games
<input type="checkbox"/> Citizen Journalism	

Please select no more than two topics.

**Options:**

- Allow other users to add comments
- Allow other users to rate this clip

The image shows a video player interface. The video is paused, and a menu is overlaid on the video frame. The menu contains three options: "Replay this video" with a play button icon, "Approve this video" with a checkmark icon, and "Retry" with an 'X' icon. The word "paused" is visible in the bottom left corner of the video frame. Below the video frame is a control bar with a play button, a progress slider, and a volume icon. The progress bar shows the video is at 0:03 of a 0:03 duration. There are also small checkmark and 'X' icons in the top right corner of the control bar.

### **Mobile Phone Upload**

This unique feature allows the user to send clips directly from a cell phone. ClipShack creates a random email address which is used to send the clips from the phone. This address can then be saved by entering it into the phone's address book.

When the user emails a clip to the address, it automatically is uploaded to ClipShack.

The upload function also allows the user to give a title to the clips sent and to give tags to the clips.

This information is entered on the page and will be used when clips are sent from the camera.

## Mobile Phone Upload

Email video clips directly from your cellphone into your ClipShack account.

1. **Create your own unique upload email address for sending video clips**
2. **From your cellphone, send the email to your upload email address**
3. **ClipShack will extract the attached video clips and add them to your account.**

### Create Your Email Address

You have not created an upload email address yet. To do this, click the **Create** button.

### Optional Attributes

The settings below are optional attributes that you can apply to all of the clips that you upload using the email method. Click the **Update** button to apply your changes.

Title: If you enter a **subject** for the email, we will use that text as the clip's title.

Description: If you enter **body text** in the email, we will use that as the clip's description.

Tags:

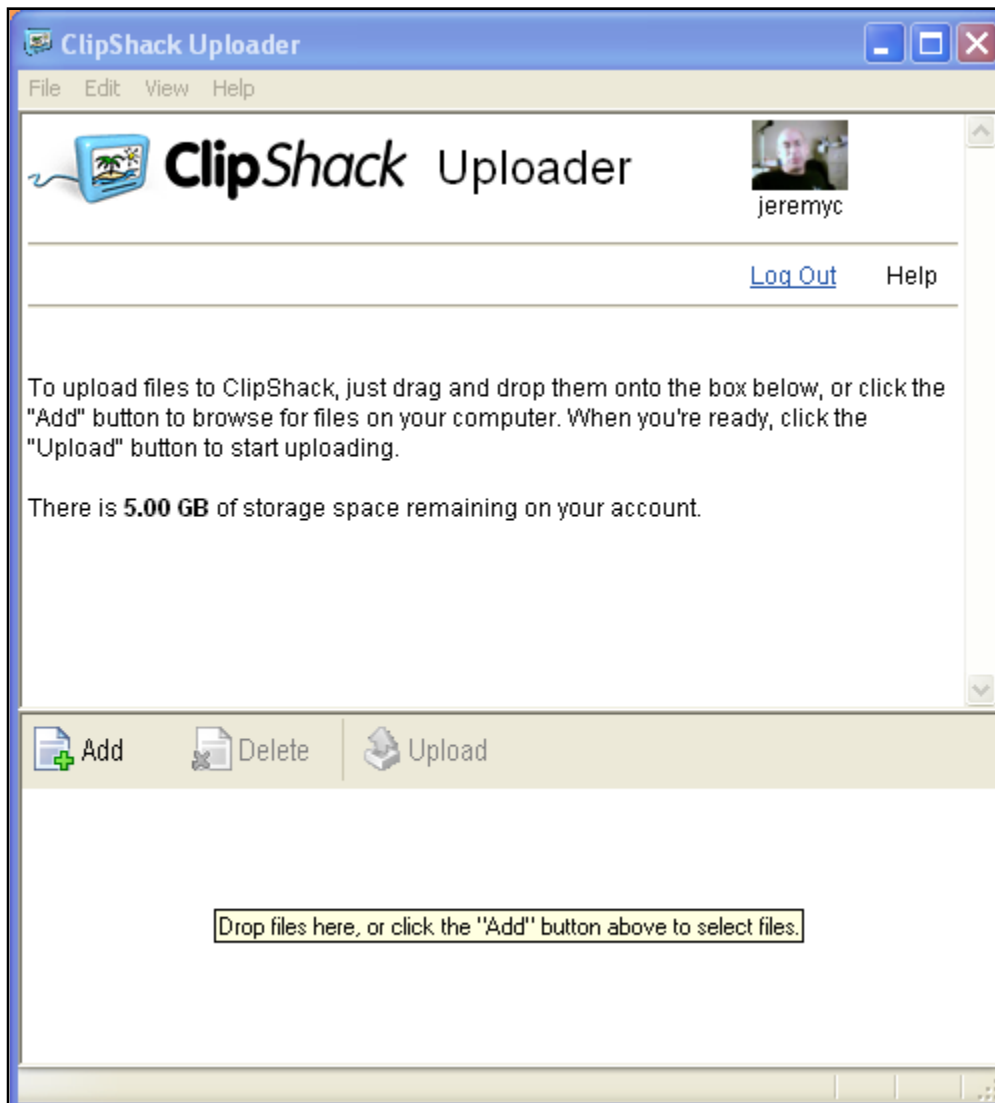

Who can see:

## ClipShack Uploader

This is an application which allows the user to have more options when sending clips.

The page prompts the user to download a small program.

With this program installed, a user can upload larger files, can drag and drop files, and can resume uploads which might be disturbed by erratic connections.

---

## Community

The Community page has four sections, each of which has a different option for building community connections.

### My Friends

This page is where the user can keep track of other users who have been chosen as friends. Other users who have been chosen as friends can view all clips in which the permission level has been set.

#### My Friends

Want to share your clips with other ClipShack members? Easy, add them to your Friends list. [Search](#) by their email address

---

#### My Friends

Your Friends list is empty. You can [search](#) for users to add, or use the **Add To My Friends** link on anyone's profile page.

### Address Book

The address book is where email addresses can be stored. A simple window opens which shows addresses which have been already been stored and giving several options for adding new addresses.

#### Address Book

Name	Address
<input type="checkbox"/> tony	tiger@frostedflakes.com
<input type="checkbox"/> frank	frankenstein@monster.org

[Add a new address](#)  
[Import addresses](#)  
[Edit the selected address](#)  
[Delete the selected addresses](#)

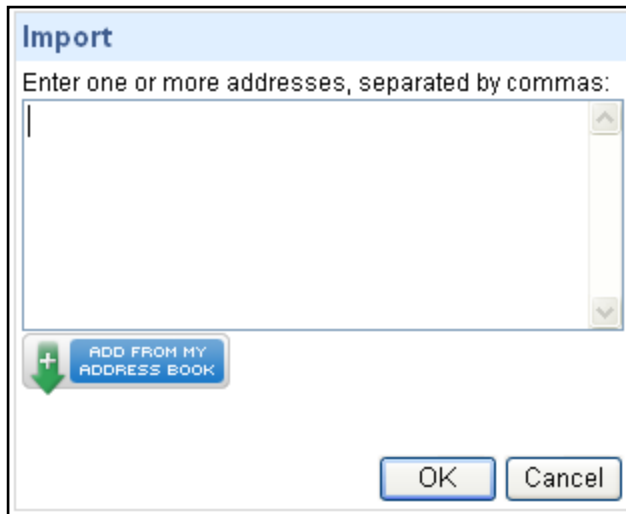

Clicking on **Add a new address** opens a window allowing the user to add an address.

#### New Entry

**Nickname:**

**Email address:**

Clicking on **Import addresses** opens a window which allows the user to type in addresses and which accesses a wizard which can import addresses from various email programs.

Clicking on **ADD FROM MY ADDRESS BOOK** opens up a wizard.

This wizard supports the most commonly used email programs.

Choosing **other** opens up an additional window which gives more options.

Clicking on **Edit the selected address** opens a window very similar to the **Add a new address** window.

### Edit Entry

**Nickname:**

**Email address:**

Clicking on **Delete the selected addresses** opens a window in which the user can use the checkboxes to choose specific addresses. The user is required to confirm deletions.

**Confirm**

Delete the selected items?

### Invite

This screen opens to a form which allows the user to ask other users if they would like to be on the user's friends list. A positive response will result in both the requester and the requestee being added to each other's list of friends.

**Invite**

Invite your friends to join the ClipShack community. We can send them an invitation by email, and if they accept, we can automatically add you to each other's Friends list.

Enter one or more email addresses, separated by commas:

Enter an optional message to accompany the invitation:

  
 Add to my Friends list  

If you check this box, then we will automatically add these people to your Friends list as soon as they complete the registration process. They will also have the option to add you to their Friends list at the same time.

### User Search

This page has a simple form used for finding other ClipShack users.

**User Search**

Find other users on the ClipShack site. Search for any user by screen name or email address.

Screen name:

Email address:

## Webcam

This page has three sections.

## CS Interactive

The CS Interactive is a page where users can use their webcams to speak to other users.

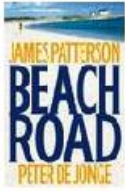

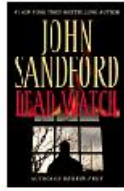

### CS Interactive

Have fun with your Web Cam. Review Movies, Books, Video Games, TV, and tell Jokes

#### Movies

 <a href="#">Cars</a> 2 reviews 2  0 	 <a href="#">The Break-up</a> 3 reviews 3  0 	 <a href="#">The Da Vinci Code</a> 1 reviews 1  0 	 <a href="#">An Inconvenient Truth</a> 0 reviews 0  0 	 <a href="#">Over the Hedge</a> 1 reviews 1  0 
---	---	--	--	---

#### Books

 <a href="#">At Risk</a> 1 reviews 1  0 	 <a href="#">Beach Road</a> 0 reviews 0  0 	 <a href="#">Dead Watch</a> 0 reviews 0  0 	 <a href="#">The Hard Way</a> 0 reviews 0  0 	 <a href="#">Two Little Girls in Blue</a> 0 reviews 0  0 
--	---	---	---	---

There are several categories on the page. Users can give reviews of movies, books, video games and tv shows. They can also tell jokes and answer the question of the month.

Clicking on a category name opens a page which gives more details about the items in each category. Content in the categories is supplied by ClipShack administrators.

CS Interactive: Video Games		
 <p><a href="#">New Super Mario DS</a></p>	<p><b>Rating:</b> "E" for Everyone  <b>Publisher:</b> Nintendo of America  <b>Genre:</b> Action, Platform</p> <p>up: 1  down: 0</p> <p><a href="#">see reviews</a>  <a href="#">review it!</a></p>	<p>New Super Mario Bros. features eight all-new worlds, each filled with extra levels, hidden paths, and secrets galore. It's possible to complete the game without visiting every world, which means you'll have to track down many alternate exits to visit every nook and cranny in the game.</p>
 <p><a href="#">Hitman: Blood Money</a></p>	<p><b>Rating:</b> "M" for Mature  <b>Publisher:</b> Eidos Interactive  <b>Genre:</b> Action, Shooters</p> <p>up: 0  down: 0</p> <p><a href="#">see reviews</a>  <a href="#">review it!</a></p>	<p>Hitman: Blood Money places gamers once again in the role of the world's greatest assassin, Agent 47. When assassins from Agent 47's contract killing firm, The ICA, are systematically eliminated in a series of hits, it seems a larger more powerful agency has entered the fray. Sensing that he may be the next target, Agent 47 travels to America, where he prepares to make a killing.</p>

### Webcam capture

This page opens up the window in which webcam clips can be filmed.

### Webcam email

This page opens to a window in which clips can be filmed and then emailed.
